

APPLICATION FOR 2008-2009

Part 1: For Parents to Complete

We're glad you want to apply for enrollment in Greenway School. The application process is friendly and personal.

As soon as you send us your responses to the application inquiries with the other requested materials, we'll call to schedule our first interview with you. One part of the interview is with the parent(s) only, and about fifteen minutes is with the student only -- just talking, no tests. Usually, we like to have a second interview with the student at a later date.

Please sign and return to us the enclosed records transfer request form, and enclose copies of this year's and last year's report cards and your \$60 application fee when you return your application materials. If your child's school's policies permit teachers to write recommendations, please also enclose two recommendations, using the attached form. As soon as we receive your application, we will call to arrange an interview at Greenway School for you and your child.

We try to let applicants know about eligibility for enrollment within two weeks from the time we receive all application materials.

We are interested in your answers to these questions just to give us some idea of how you see things. There are no wrong answers -- please share with us whatever you think is important.

1. How would you describe yourself? You may write something on a separate piece of paper **in your own handwriting**. Choices could be paragraphs, a poem, single words, or any other written form. You could also choose to draw a picture, make a collage, or form yourself as a figurine. We will talk about it when we meet.

2. What are the qualities of a true friend? How do these qualities show up when friends are together? Use examples that illustrate your observations. Write as much as you like **in your own handwriting** on a separate piece of paper.
Thank you! We look forward to meeting you with your parent(s) soon!
